The Artist Guide is a reference book of value to all artists. This publication carries information on all spheres of the visual arts, together with lists of schools, tuition centres, galleries, painting tutors—and much more. Certain sections are now out of date, however, and while we are planning to publish a new edition, some readers may find this existing volume of use in various areas. It is now on offer at 75p (instead of the original price of £3.25), if you send a stamped (31p), addressed envelope which must be sturdy and at least 9″×6″.
